

**GMD/5 WATERMILL RECORD CARDS – GLOUCESTERSHIRE (With a few of Herefordshire, Oxfordshire, Shropshire and Worcestershire.) Total = 234**

These cards appear to be the original notes from which the S.P.A.B. Watermill Survey forms attributed to Miss G.M. Davies were typed. To a very large degree they duplicate the material on the forms. However, the cards are more accurate than the forms, and there are some cards that do not appear to have been copied.
